Padma Out
Solomon Grundy,
Born on Monday,
Christened on Tuesday,
Married on Wednesday,
Took ill on Thursday,
Died on Saturday,
Worse on Friday,
Buried on Sunday.
